

## Guide to Transferring a Domain name from 1and1.co.uk

### .uk Domain Names

1. Go to <https://contract.oneandone.co.uk>
2. Enter your Account number and Password
3. Select "**Change Contract**" from the left menu
4. Select "**Cancel**" Individual domains, then "**Continue**"
5. Select when you would like the tag change to happen in the drop down boxes in the "Execute On" column
6. The "Cancellation Option" column will now become active, and select change of provider.
7. Enter DAILY as the new Provider's TAG.
8. A confirmation page will be shown containing details of the next steps.
9. You will receive two emails from 1 and 1 to confirm the tag change. You must reply to the second email.
10. After 24 hours, or less in most cases (check a whois output to see if the TAG change has taken effect
11. Now, go to daily.co.uk control panel. On the left hand menu select "Domains", then "Transfers", then "Transfer to Daily.co.uk". Enter the domain names you wish to transfer. Alternately, go to:  
<https://www.daily.co.uk/products/domain-names/domain-name-transfer.html>
12. Enter the domain name you wish to transfer.
